These lock boxes should be placed in a frequently used area by patrons and the contents (Narcan) can be replaced for free by calling OOP providers. If interested contact Jillian at [jnad@co.ulster.ny.us](mailto:jnad@co.ulster.ny.us).

Access to Ancestry Library Edition has been temporarily expanded to library cardholders working remotely, courtesy of ProQuest and its partner Ancestry. Remote access will be available until **December 31st 2020** and will be re-evaluated monthly as needed.

Thank you for contacting ProQuest Support. Ancestry has confirmed there was an issue with usage tracking in December which they have fixed the underlying cause, but unfortunately, they could not recover the missing statistics. I apologize for the inconvenience. (Affected HeritageQuest and Ancestry).

Access to Ancestry Library Edition has been temporarily expanded to library cardholders working remotely, courtesy of ProQuest and its partner Ancestry. Remote access will be available until **December 31st 2020** and will be re-evaluated monthly as needed.

Dear **ProQuest** Customer:

We are writing today to inform you about a usage issue with Ancestry Library Edition and Heritage Quest Online. Last June, Ancestry was making some upgrades to the image viewer that would improve the security of the content, make content more accessible, reduce down time and improve response time when returning search results. During this upgrade, an error occurred with how page views were being counted with this image viewer. Unfortunately, this issue persisted until January 19, 2021, and the usage data (page views) has been permanently lost. After analysis, Ancestry estimates that actual usage was roughly double what the reported statistics indicate during this period (June 2020 – January 19, 2021). Ancestry has reviewed the situation and will put monitoring in place so that issues can be addressed in a more timely fashion.

We sincerely apologize for this issue. If you have questions about your usage statistics, please do not hesitate to contact your Account Manager. Thank you for your continued support of these databases in your library.
